

Professional Staffing Services

Delivering the right talent at the right time

The most advanced technology on the planet means nothing without the right people, and that is why Softima makes a difference. We provide a comprehensive, strategic approach to meeting your staffing requirements. We focus on finding superior people to meet your business objectives. We source from a highly qualified, diverse talent pool to consistently provide you with the best candidates.

We deliver:

- Recruiting professionals dedicated to your business
- Thorough evaluation that assures only the most qualified candidates are recommended
- Comprehensive background checks that ensure candidates meet the highest standards

Softima offers:

- Contract Staffing
- Contract to Hire
- Direct Hires
- Executive Placement

Softima helps staffing professionals from a wide range of companies. From long-term assignments and mission-critical projects to seasonal demands, our professionals represent a wide range of experience and skills, including:

- Professional
- IT/Technical
- Engineering
- Accounting/Finance
- Call Center/Help Desk
- Healthcare

Another difference between Softima and other companies is our collaborative approach to managing your talent needs. We believe in working closely with our clients to meet their specific goals. Our hands-on approach allows us to focus on the issues that are important to you. We can develop a customized program that best fits the needs of your company, including high-volume hires or finding candidates with specialized skills. We want you to see us not as just another vendor, but a partner you can trust with your most precious asset — your people.
